MY WORKS

The collage includes:

- Zangi**: A mobile messaging application landing page.
- MY WORKS**: A portfolio website featuring nature photography and a grid of cards.
- Project Page**: A landing page for a project titled "I'm successfully collaborated and efficiently communicated with project stakeholders in bringing their vision to digital reality."
- Profile Page**: A personal profile page for "I'm Grigor" showing statistics (19 works, 106 hours, 30 projects, 9 years).
- WHAT DO I OFFER**: A section listing services: Brand Identity, Marketing, Web Design, Packaging Design, and Web Development.
- Planet Earth**: A video thumbnail for a project titled "Planet Earth Attracts".
- Flowers**: A close-up photograph of a dandelion.
- World Map**: A map of Armenia and surrounding regions.
- Nature Page**: A landing page for "SAVING THE NATURE" featuring a nature-themed illustration.
- Contact Form**: A dark-themed contact form with fields for name, email, message, and a subscribe button.
